This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of a request filed by Arthur Sumter, Jr. (“Applicant”) to reinstate Class C Certificate of Public Convenience and Necessity No. 7651. Certificate No. 7651 was issued to the Applicant pursuant to Commission Order No. 2005-704, dated December 15, 2005, which granted the Applicant authority to render motor passenger service. This Certificate was later revoked after a hearing by Order No. 2009-314, issued May 14, 2009, for non-payment of license fees as required by S.C. Code Ann. § 58-23-560 (Supp. 2009).

By letter received November 4, 2010, the Applicant requests that the Certificate in question be reinstated. The original Application filed by Arthur Sumter, Jr., which the Commission approved by Order No. 2005-704, provides documentation regarding Applicant's stated knowledge of and commitment to abide by all relevant statutes and Commission regulations.

The Commission has reviewed the case before it and after due consideration, the Commission concludes that the revocation of the Applicant's Certificate should be lifted and that the Certificate should be reinstated, subject to compliance with payment of license fees, all applicable statutes and the Commission's other Rules and Regulations.

IT IS THEREFORE ORDERED:

1. That Class C Certificate of Public Convenience and Necessity No. 7651 in the name of Arthur Sumter, Jr. be, and hereby is, reinstated, subject to compliance with payment of license fees and all other Commission Rules and Regulations.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with all applicable statutes and the Commission's Rules and Regulations.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, including the requirements of filing with the Office of Regulatory Staff proof of appropriate insurance, the payment of license fees, and such other information required by law, the motor carrier services authorized by the Certificate shall not be provided.

4. That failure of the Applicant either (1) to complete the certification process by complying with the Commission requirements of causing to be filed with the Office of Regulatory Staff proof of appropriate insurance and the payment of license fees and such other information required by law or (2) to request and obtain from the Commission additional time to comply with the requirements of the Commission as stated above, may result in the authorization approved in this Order being revoked.

5. That this Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:
